Professional Experience

2018 – 2019 Project Manager, Go Global | Benivo

- Consulting on 2 large-scale projects driving the delivery and scaling of digital content for a range of high-profile clients in around 80 countries. Resulting in timelines being cut in half and delivered early to our clients.

2017 – 2019 Business Consultant | SCORE Chapel Hill

- Consulting 13 local entrepreneurs in financial strategy, operations and business development, leading to revenue growth, new contracts and partnerships.

2017 – 2018 Financial Advisor | Nest Café & Play

- Built a financial model in order to attract investment as part of the accelerator program *Startup UNC* at Kenan-Flagler.

2014 – 2017 Writer & Researcher | London Business School

- Researched, edited and contributed to *Private Capital: Private Equity & Beyond* (expected: fall 2018) – the second edition of the leading MBA textbook on PE/VC – writing 6 chapters on VC, CVC, seed investing, crowdfunding, angel investing, and venture lending.

2014 – 2015 Legal Advisor | Gornitzky & Co.

- Managed legal teams in 43 different countries (100+ attorneys), representing the legal/business interests of a US-based conglomerate, resulting in compliance, transparency and accountability of the conglomerate's legal operations.
- Advised 9 corporations on corporate financing and ongoing governance matters, working closely with investors and C-level executives to align business and legal interests.
- Counseled on two large (>\$240M) and complex tax litigation cases, resulting in an overwhelmingly positive verdict for our clients in both cases.

2010 – 2011 Analyst | Freshfields Bruckhaus Deringer

- Establishing the Israel branch of Freshfields at Tel Aviv alongside a partner from London, attracting a foreign investment pipeline in Israel to support our clients needs.

Military Service

2008 – 2010 Information Systems Integrator | IDF Intelligence Training Unit

- Initiated, piloted and embedded LMS projects, successfully transitioning thousands of users to new platforms, driving market transformation in the intelligence community;
- Worked alongside software developers and web designers to create/embed 6 new platforms to support intelligence training and boost productivity of trainings/evaluations.
