

BIOGRAPHICAL SUMMARY

NAME Yoram Rozen	POSITION TITLE Professor Director of ASRI (Asher Space Research Institute)
---------------------	--

EDUCATION/TRAINING *(Begin with professional education, include postdoctoral training and residency training, if applicable)*

INSTITUTION AND LOCATION	DEGREE	MM/YY	FIELD OF STUDY
Syracuse University, USA	Ph.D.	1993	Physics
Technion - Israel Institute of Technology	M.Sc.	1989	Physics
Technion - Israel Institute of Technology	B.Sc.	1987	Physics

A. Personal Statement *(Briefly describe your experience and qualifications relevant to the application).*

B. Positions and Honors *(List in chronological order previous positions and honors)*

2021 Director - Asher Space Research Institute

2018 Professor, Physics, Technion

2002-2003, Visiting Professor, Physics, University of California Santa Barbara

2002 – present, Associate Professor, Physics, Technion

1996 – 2002, Senior Lecturer, Physics, Technion

1994-1996, Scientific associate, CERN

1993, Post-Doctoral research associate, Physics, Syracuse University

C. Selected Peer-reviewed Publications *(List up to 5 selected peer-reviewed publications relevant to the research proposal).*

1,500 publications, none in the field of electric propulsion.

D. Research Support *(List ongoing and completed research grants for the past three years, indicate relevance to the proposed application)*

2019 ISF Center of excellence Technion, Weizmann and Tel Aviv University ATLAS groups for 4 years (~500 KNIS/year at the Technion)

2019-2021 Israel Committee on High Energy Physics, 3 years, \$20K/year

Vatat grant to Technion, Weizmann and Tel Aviv University ATLAS groups for continuing ATLAS Tier-2 GRID center in Israel. \$650k/year (\$400k Technion)
