

CURRICULUM VITAE

• **Personal Details**

Name: Guy Makov

Work Address: Dept. of Materials Engineering
Ben-Gurion University of the Negev
Beer Sheva

Tel: +972-8-6461823

• **Education**

B.Sc. - 1981-4, Tel Aviv University, Dept. of Chemistry
Magna cum laude

Ph.D.- 1989-1993, Tel Aviv University, Dept. of Chemistry
Direct track

Name of advisor: Prof. A. Nitzan

Title of thesis: “Energetics and Dynamics of Solvation in Finite Systems”

• **Employment History**

2018- Professor, Dept. of Materials Engineering, Ben-Gurion University.
2011-2018 Associate Professor (tenured in 2013), Dept. of Materials Engineering, Ben-Gurion University.
2009-2011 Senior Lecturer, Dept. of Materials Engineering, Ben-Gurion University.
2008-2009 Senior Visiting Research Fellow (sabbatical), Dept. of Physics, King’s College London
1996-2008 Researcher, Dept. of Physics, NRCN
1994-1995 Visiting Scientist (postdoc), IEV, KFA Julich, Germany
1993-1996 Postdoctoral Research Associate, Cavendish Laboratory, Cambridge University

• **Professional Activities**

2018 Chairman, Scientific Committee, 18th Israel Materials Engineering Conference (IMEC-18).
2014- present Chair, Joint Physics-Materials Engineering study programme, Ben-Gurion University.
2014- 2017 Associate Dean of Engineering for Research, Ben-Gurion University.
2012- 2014 University Steering Committee for Research Centers, Ben-Gurion University.
2012 Chairman, 15th Israel Materials Engineering Conference (IMEC-15).
2010- present University Steering Committee for Nanotechnology, Ben-Gurion University.
2009 - 2010 Associate Director, Ilse Katz Institute of Nanotechnology, Ben-Gurion University.

• **Publications** – over 70 refereed articles in the scientific literature, H-index 22, over 4000 citations (Google scholar)
