

*Curriculum Vitae***Nissan Ashkenazi**

Date and place of birth: 5 March 1966, Haifa, Israel
 Family Status: Married+2
 Military Service: 1984-1987 (3 years), Israeli Navy

Academic Degrees:

B.A. 1990, Chemistry, Technion, Haifa, Israel.
 M.Sc. 1993, Chemistry, Technion, Haifa, Israel, with Prof. Amnon Stanger.
 Ph.D. 1998, Chemistry, Technion, Haifa, Israel, with Prof. Amnon Stanger.

Academic Education:

1987-1990	Technion	Haifa, Israel	B.A. in Chemistry
1990-1993	Technion	Haifa, Israel	M.Sc. in Chemistry
1993-1997	Technion	Haifa, Israel	Ph.D. in Chemistry
1998-1999	Universität Hannover	Hannover, Germany	Postdoctoral Fellow
1999-2001	Weizmann Institute	Rehovot, Israel	Postdoctoral Fellow

Academic and Professional Appointments:

Teaching Instructor	1993-1997, Technion, Haifa, Israel.
Teaching Assistant	1990-1993, Technion, Haifa, Israel.
Research Assistant	1990-1997, Department of Organic Chemistry- Technion, Haifa, Israel.
Postdoctoral Fellow	1998-1999, Department of Organic Chemistry- Universität Hannover, Hannover, Germany (With Prof. Dr. Holger Butenschön).
Teaching Instructor	1998-1999, Universität Hannover, Hannover, Germany.
Postdoctoral Fellow	1999- 2001, Department of Organic Chemistry- Weizmann Institute, Rehovot, Israel (With Prof. David Milstein).
Scientist/ Researcher	2001- Present, Department of Organic Chemistry- Israel Institute for Biological Research, Ness-Ziona, Israel.

Group Leader	2007-Present, Department of Organic Chemistry- Israel Institute for Biological Research, Ness-Ziona, Israel.
Head of Department	2009- 2011, Department of Organic Chemistry- Israel Institute for Biological Research, Ness-Ziona, Israel.
Head of Division	2011-2019, Division of Medicinal Chemistry- Israel Institute for Biological Research, Ness-Ziona, Israel.

Grants and Awards:

1998-1999	Postdoctoral Fellowship from Das Niedersächsische Ministerium für Wissenschaft und Kultur (The Lower Saxony Ministry for Science and Culture).
2003-2006	The Katzir Scholarship Program, In the Memory of Professor Aharon Katzir.
2017-2020	Pazy Foundation Research Fund (with Prof. Arkadi Vigalok, Tel-Aviv University).

Teaching Experience:

Technion, Haifa, Israel	Instructor in various courses and laboratories of general, analytical and organic chemistry (at all levels).
-------------------------	--

Research Experience:

All the academic and professional appointments (see above) have included chemical research.

Membership in Professional Associations:

The Israel Chemical Society.
The American Chemical Society.
