---

## EDUCATION

### Ariel University, Israel

Bachelor of Science, 2014-2018

Major: chemical engineering with specialization in material

---

## WORK EXPERIENCE

### Chemical Analyst- QC Laboratory

January 2019-Present

*Teva Pharmaceuticals, Kfar Saba, Israel*

- Performing analyses of finished products, validation, and stability samples by high pressure liquid chromatography (HPLC)
- Testings are accomplished according to methods, protocols, and internal procedures by various equipment such as: HPLC, UPLC, UPLC H-Class, and Agilent equipment
- Chromatography analysis are performed using Empower 3
- Data management is done using VG- LIMS, Labware, and Wisdom
- Work practice according to GMP (Good Manufacturing Practices)
- Member of the validation team- validating and verifying analytical methods for testing new drug products.
- Performing wet chemistry tests, UV tests, and other basic methods to ensure quality of drugs.
- Supervising and reviewing work completed by other analysts, according to regulatory requirements (GMP, European Pharmacopeia, United States Pharmacopeia)
- Providing analytical assistance and mentoring of new analysts in the laboratory

### Laboratory Analyst

January 2017 – September 2018

*Florarom Flavors, Petech Tikva, Israel*

- Preparation of food extracts by internal methods and protocols
- Performance of various analysis such as viscosity, pH, and titrations.

---

### Army Service

November 2010 – January 2013

*Israel defense forces, IDF, Israel*

- Mandatory army service and a yearlong permanent service following mandatory service
- As a soldier was an operation sergeant in operation room
- Permanent service- became a first sergeant and was responsible for a team of soldiers working in the operation room.
- Wrote operation commends
- Developed communication, reliability, and discretion skills. Learned how to work and be a part of team
- High profile classification service

---

## SKILLS

Language: Fluent in Hebrew (Reading, writing, speaking), English (reading and writing) Computer skills: Microsoft office, Adobe
