Question (a): Do you know Ms. Galith Nakash? If so, please describe how you know each other?

Answer : I know Galith. She was introduced to me by her friend in Sri Lanka named Samantha Iddamal Gajaba and Mrs. Indrani who runs an employment agency for care workers to Israel, Galith used to send those employments Contact.

Question (b): Do you have any kind of business relationship with Nakash?

Answerer : No.

Question (c): We are showing you a Sri Lankan Passport (Exhibit A) .Did you help Nakash obtain his Passport? If so please explain how? (I am Police constable 87348 Asanka, showing the Exhibit A to Mr. K.A Chandana and he signed and confirmed that he see that)

Answer : Seen the "Exhibit A" and placed the signature. Samantha, Indrani and Gali (Galith Naksh) had a legal consultation with me with regard to their business. Then I got to know more about Galith. We had sex couple of times. Then one day she told me that she was pregnant because of me .I believed her ,please note that this was physical and when Gali's investments in Sri Lanka was defaulted by her business partners. She created problems everywhere. Then she contacted me one day and told me that she had a baby in Sri Lanka and then I went to see her in at apartment at Kollupitiya, Sri Lanka and she told me that the child is mine. There, we had a big argument. I did not want the child. So she said that baby is mine and I believed her and then I gave my name as the father and then got her the passport. I believed her and I filled the application and got the Passport.

Question (d): Further to the declaration you made (Exhibit B) kindly explain why you agreed to be listed as the Child's father in the Birth Certificate?

Answer : Because I had sex with Gali a couple of times and she told me that I was the father of the child. I believed her and thought that was true, therefore, I gave my name as the father of the child. She always shouted at me and said that I should not claimed the child.

Question (e): Can you explain why the child was issued a Sri Lankan Passport although there is no identification that the child is Sri Lankan Citizen or otherwise entitled to Sri Lankan Citizenship?

Answer : Since I had sex with Galith and she told me that she was pregnant because of me, I believed her and did not want the child, not to be a father. I thought of that and gave my name as the father. I "bona Fide "believed her and got the passport for the child.

Question (f): DO you know how long Ms. Nakash was in Sri Lanka?

Answer : I don't know the period, but she was in Sri Lanka for a long time.

Question (g): Where did Ms. Naksh stay while in Sri Lanka?

Answer : I have visited her when she was staying alone in an Apartment in Kollupitiya, Sri Lanka

Question (h): Do you know whether Ms. Nakash was sick or required medical attention while she was in Sri Lanka?

Answer : I don't know, because I haven't seen her on a daily basis.

Question (i): Was Ms. Nakash pregnant while she was in Sri Lanka?

Answer : She told me that she was pregnant.

Question (j): If Ms. Nakash was pregnant, how do you know?

Answer : She told me, she was pregnant.

Question (k): Have you ever heard of the term surrogacy or surrogate mother?

Answer : As a Lawyer, I know

Question (l): DO you know whether Ms. Nakash employed the services of a surrogate mother? If so, what do you know about this process?

Answer : I don't know, because during this time we were not in talking terms.

Question (m): Did you assist Ms. Naksh in the surgery process, if so, please explain how?

Answer : I don't know about anything about it. I did not assist her for anything like that.

Answer : Galith Invested in a company named STS Pvt Ltd and I joined as a Director because one of my relatives was involved with Gali in this Business. She recovered some of the investment and then I resigned from this company as I did not approve the objectives of the business and also the way the company was managed. I gave my resignation papers through the Secretary of the Company and he had delayed to submit my registration papers to the Register of Companies. During this period without my knowledge Galith had again invested in this company and the company had defaulted in pay back Gali. There is a Court case going on in the Kegalle Magistrate Court, Sri Lanka and I am unnecessarily linked as an accused in this case. I have not accepted assent of Gali's money. All I want is my name cleared from all of this. I haven't done anything wrong or assisted Gali in any wrong doing in Sri Lanka or elsewhere. That is all I have to say with this regard to the questioned posed to me by the officer who interviewing and recording my statement. My statement was read over to me and I was asked if my statement needs alterations or to be added with new facts and I replied negative and I admit that my statement to be correct andsigned (Signature of Karadana Acharige Chandana)
